Course Name: Developing Innovative Teams TRN-INPDIT-875

Course Type: Webinar In-Person Training E-Learning

Length of Course/Session: 3.50 hours

Date of Course/Session:

Course Description:

What does it take to be innovative? This course explores innovation and what it takes to become an innovative team. This course focuses on the factors that encourage innovation and effective collaboration. A review of innovative thinking supports teams to consider the competencies that pave the way for their success. In this course staff will identify and discuss organizational and team factors that encourage innovative thinking and solutions; review innovation in the 21st century; access key competencies of innovative thinking; and participate in collaborative activities that promote innovative thinking.

Speaker Profile:

Crystal Dolliver draws on her professional skills as a facilitator and corporate trainer for over 18 years, with various trainings she offers both in-person and online. Crystal has many areas of expertise including Motivational Interviewing (MI), Ethics, Mental Health First Aid, Suicide Awareness and Prevention and Accessibility in the Workplace (AODA), as well as many other corporate training offerings. Her professional experience in addition to delivering diverse training programs includes assisting individuals to successfully return to work and coaching individuals with disabilities. Crystal is known for encouraging and creating safe learning spaces where warmth, humour, and openness in sharing exists.
