Course Name: Motivational Interviewing Advanced - Level Three TRN-INPMI3-875

Course Type: Webinar In-Person Training E-Learning

Length of Course/Session: 2 Days

Date of Course/Session:

Course Description:

MI Advanced - Level Three: This two-day training advances the concepts and skills learned from MI Foundational - Level One and MI Intermediate - Level Two. This training will further develop and enhance the technical skills that are required to become competent in your MI practice. MI Advanced – Level Three training will include: Practical exercises to become strategic in use of motivational interviewing skills; Evoking ambivalence with individuals who are pre-contemplative; Common traps during a motivational interview; Evoking change talk and responding strategically to it; Strategies for assisting individuals to build their confidence for a specific change; and Working through setbacks and obstacles during the planning process. Participants bring a recording of a motivational interview with them to training. Coding a motivational interview using the latest motivational interviewing coding system to benchmark individual competency and set developmental goals. Develop strategies for building mastery after training.

Speaker Profile:

Crystal Dolliver is an experienced Motivational Interviewing coach and trainer. Her professional background includes coaching individuals with disabilities and assisting them to successfully return to work. She is skillful at moving ambivalent clients into engagement with her motivational interviewing (MI) techniques. Crystal has successfully coached and supported others across Ontario to develop their MI skills. Crystal's expertise includes Motivational Interviewing (MI), Team Health, Mental Health First Aid, Crisis Intervention, and Emotional Intelligence at Work. She draws on her over 17 years of experience as a facilitator, trainer, and coach to deliver exceptional training both in-person and online.
