

Occupational Therapists

Job Description:

Agilec has current openings for independent, self-employed Occupational Therapists (OT's) to provide a range of services throughout Ontario. OT's may conduct Cognitive Work Capacity Assessments, Cognitive Job Coaching, Activation, and a number of other Functional-type assessments to a range of customers including WSIB, OPS, LTD insurers, employers, individuals, etc. A home-based office is required, as well as access to a vehicle for travel.

Required Skills:

- Ability to assess the cognitive, behavioural/emotional/physical and safety considerations pertaining to the essential and non-essential duties of a job by having access to and using industry-accepted assessment tools and methodologies; confirm suitability of jobs and identify job accommodation and/or strategies. Provide individualized on-site (at employer) job support for individuals with cognitive challenges
- Ability to write detailed assessment and progress reports in a timely fashion
- Intermediate user of Microsoft Office Suite (i.e., Word, Outlook)
- Strong interpersonal skills. Ability to communicate effectively with Project Coordinator(s) and Funding Agencies as required regarding outcomes and status changes

Locations:

We are looking for OT's that can provide coverage in one or more of the following areas:

- Ottawa (English and French)
- Belleville
- Durham
- Peterborough
- Owen Sound
- Toronto
- Kitchener/Waterloo
- London
- Virtual

Qualifications:

- Occupational Therapist with valid registration with COTO and associated liability insurance

- OT must have a minimum of two years of cognitive assessment, job demands or job coaching experience and associated training, skills, and experience working with persons with cognitive impairments
- Vulnerable Sector Screen or Criminal Record and Judicial Matters Check

How to Apply:

Please submit a resume by e-mail to the attention of Dean Bendall at dbendall@agilec.ca
We thank you for your interest, but only suitable candidates will be contacted.
